

MIDAS FUNDS 2017 ESTIMATED YEAREND DISTRIBUTION

NEW YORK – December 18, 2017 – The [Midas Funds](#) announced today their 2017 preliminary estimated yearend dividends and capital gain distributions.

These preliminary estimates may change between the date of this press release and the ex-dividend date. A precise estimate of the amount of the per share distribution is not possible because the number of shares outstanding on record date cannot be determined in advance or due to certain tax adjustments and other factors.

The distributions are expected to be paid on December 28, 2017 to shareholders of record as of December 27, 2017. The ex-dividend and reinvestment dates will be on the expected payment date.

As of the date of this press release, the per share distribution is estimated as follows:

Fund Name	Ticker	Estimated Income	Estimated Long Term Capital Gain
Midas Magic	MISEX	None	\$0.53
Midas Fund	MIDSX	None	None

The distribution will be reinvested or paid out in cash, according to the instructions associated with each shareholder's account.
