[Midas Fund \(MIDSX\)](#) is a no load mutual fund investing primarily in gold, silver, and other precious metals and natural resources companies. [Midas Magic \(MISEX\)](#) is a no load mutual fund seeking capital appreciation by investing in any security type in any industry sector and in domestic and foreign companies of any size.

Past performance is no guarantee of future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost.

One of Midas' guiding principles is that we will communicate with our shareholders and prospective investors as candidly as possible because we believe shareholders and prospective investors benefit from understanding our investment philosophy and approach. Our views and opinions regarding the prospects of our portfolio holdings, Funds, and the economy are "forward looking statements" which may or may not be accurate and may be materially different over future periods. We disclaim any obligation to update or alter any forward looking statements, whether as a result of new information, future events, or otherwise. Thus, you should not place undue reliance on forward looking statements, which also speak only as of the date of the Midas communication.

Midas Fund invests in securities of companies involved in the business of mining, processing, fabricating, distributing or otherwise dealing in natural resources and precious metals. Midas Fund is subject to the risks associated with market fluctuations, foreign investment, non-diversification, concentration, investments in gold, silver, platinum, and other precious metals, natural resource companies, depletion and exploration risk, and in-kind redemptions.

You should carefully consider the investment objectives, risks, charges and expenses of the Midas Funds by reading the prospectus carefully before investing or sending money. For investment risks associated with each Fund, please read "Principal Risks of Investing in the Fund," and "Investment Objectives, Principal Investment Strategies, Related Risks, and Disclosure of Portfolio Holdings" in the free prospectus, which contains this and other important information about the Midas Funds.
